Dear Ms. McGrody:

Thank you for your request to become listed as a Dental Assisting National Board, Inc. (DANB)-accepted CPR, BLS or ACLS provider. We have reviewed the provided documentation, and your request has been approved for your BLS course as offered through your website <https://911coned.com/>. Your organization will be promptly added to the DANB-Accepted CPR, BLS and ACLS Providers web page as well as to our online application packets and any future printed versions of the application packets.

You provided the following responses to DANB's CPR/BLS/ACLS provider eligibility requirements:

1. Does the program provide CPR training? --- *Yes. That would be our BLS course option found here: <https://911coned.com/>*
2. Does the program include a written assessment? --- *Yes. At the end of the training material, there is a written exam.*
3. Does the program include a hands-on skills/clinical assessment? --- *Yes. At the completion of the course, there is a skills form.*
4. Is the program national or international in scope OR if recognized only within a state or states, does it meet the following criteria:
  - a. Course follows American Heart Association or American Red Cross Guidelines for CPR, **AND**
  - b. Organization is approved/accepted by a state dental/medical organization, and must be able to provide proof of this approval in the form of a letter from the approving/accepting organization. --- *Our courses follow the latest AHA guidelines. It is stated on our certification cards. We are also accredited by AMA, ANCC, ADA and CAPCE.*

If you have any questions or concerns, please contact DANB at 1-800-367-3262, and speak with one of our Client Service representatives.

Sincerely,

Johnna Gueorgieva, Ph.D., CAE  
Chief Credentialing and Research Officer
