Dear Suzanne:

I am pleased to inform you that your application for Continuing Education approval for:

Advanced Cardiovascular Life Support (ACLS)

has been approved by The American Institute of Health Care Professionals, Inc. This continuing education program has been approved for 8.0 contact hours of continuing education credits. The program is approved from June 7, 2023 through June 7, 2028.

Our only requirement to provide this approval is that you place on your Education Certificate the following information:

“This continuing education program has been approved by The American Institute of Health Care Professionals, Inc. for 8.0 contact hours of continuing education credits, CE # 569.”

Congratulations on receiving approval for your education program. If you have any questions at all, please do not hesitate to contact me. Thank You!

Sincerely,

Ph.D, MBA, RN-BC, ANP-BC, FACHE
