Dear William,

The above referenced activity has been approved. For information about our system please visit www.capce.org and log in to view AMS Provider Manual, for guidance and options for submitting course completions to the CAPCE Accreditation Management System.

The completion/attendance certificate you issue for this course must indicate the correct category and number of CEH granted to each individual based on completion of specific topics. The certificate for an approved course must include the following approved statements** and the CEH number and type must be clearly identified along with activity title, date, location.

***“This continuing education activity is approved by the Commission on Accreditation for Pre-Hospital Continuing Education (CAPCE) Course #: 19-PACM-F3-1037, CEH Number and Type: 8.00 CEH Advanced. You have participated in a continuing education program that has received CAPCE approval for continuing education credit. If you have any comments regarding the quality of this program and/or your satisfaction with it, please contact CAPCE at: 12300 Ford Road, Suite 350, Dallas, Texas 75234 - 972.247.4442- jscott@capce.org.”*

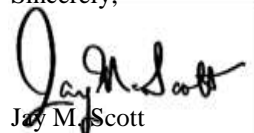

You may not use any other reference to approve or endorsement of the activity by CAPCE or its sponsoring organizations on the certificate for the approved continuing education activity.

**After each class, please submit post-activity materials to CAPCE. Please download the Provider Manual for required fields necessary to comply with accreditation. Also send a summary of evaluations for each course topic at least quarterly. This this information, is vital to verify attendance of individual participants in response to inquiries from state agencies and NREMT.

Participant list must be submitted online via www.capce.org. See Provider Manual for required fields. Manual Entry or XML Upload are the operations to submit records.

Thank you for your continued interest in the EMS Community and quality continuing education.

Sincerely,

Jay M. Scott
Executive Director
