**CPR, AED, FIRST AID PROVIDER SKILLS VERIFICATION FORM**

After completing Pacific Medical Training's online CPR, AED, First Aid course, email this completed form with your instructor's CPR instructor credential to [support@pacificmedicaltraining.com](mailto:support@pacificmedicaltraining.com). The instructor must hold a valid American Heart Association instructor credential. They will initial each area that has been successfully completed. Please note that the instructor does NOT issue you a new card. Your Pacific Medical Training CPR, AED, First Aid card is issued directly from Pacific Medical Training.

SKILL	PASS	Requires Remediation
Performs primary survey		
Activates EMS		
Initiates chest compressions at a rate of 100–120/min		
Opens the airway using the correct maneuver (Head tilt chin lift/jaw thrust)		
Delivers adequate ventilations		
Allows for complete chest recoil		

FIRST AID SKILL	PASS	Requires Remediation
Applies direct pressure for bleeding		
Places a patient with shortness of breath in correct position		
Put on and take off gloves properly		
Utilizes an inhaler properly		
Utilizes an epinephrine pen properly		

The above information is accurate to the best of my knowledge. The instructor holds a valid American Heart Association instructor credential. The student has successfully demonstrated the management of an adult cardiac arrest patient who presents with pulseless ventricular tachycardia and/or ventricular fibrillation.
