American Heart
Association

Dear Will,

National Association of
Emergency Medical
Technicians

The above referenced Activity has been **approved**. For information about our system: Please go to <http://cecbems.org/faqAnswers.aspx?RecID=56> to download the most recent version of the manual that explains the options for submitting course completions to the CECBEMS Accreditation Management System.

National Association of
EMS Educators

The completion/attendance certificate you issue for this course should indicate the correct category and number of CEH granted to each individual based on completion of specific topics. **The certificate for an approved course must include the following approved statements** as well as the CEH number and type must be clearly identified along with activity title, date and location.**

National Association of
EMS Physicians

****"This continuing education activity is approved by the Continuing Education Coordinating Board for Emergency Medical Services (CECBEMS) CECBEMS#: 16-PHST-F3-5027, CEH Number and Type: 1.50 CEH Basic and Advanced. You have participated in a continuing education program that has received CECBEMS approval for continuing education credit. If you have any comments regarding the quality of this program and/or your satisfaction with it, please contact CECBEMS at: CECBEMS 12200 Ford Road, Suite 478, Dallas, Texas 75234 - 972.247.4442- jscott@cecbems.org."**

National Association of
State EMS Officials

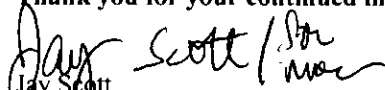

You may not use any other reference to approval or endorsement of the activity by CECBEMS or its sponsoring organizations on the certificate for the approved continuing education activity.

National Registry of
Emergency Medical
Technicians

****After each class, please submit post-activity materials (if any). See first paragraph about reporting. Please see the attached Provider Manual for required fields necessary to comply to accreditation. Also send a summary of evaluations for each course topic at least quarterly. Without this information, we cannot verify attendance of individual participants in response to inquiries from state agencies and NREMT.**

Participant list must be submitted online via www.cecbems.org. See Provider Manual for required fields. Manual Entry or XML Upload are the operations to submit records.

Thank you for your continued interest in the EMS Community and quality continuing education.

Jay Scott
Executive Director
